

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over sixty years combined experience with successfully manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to giving new design concepts and top quality in order to meet the diverse requirements of their customers.

TREK Cleaning Machines continually offers fresh design ideas as proven in their product development. They like offering products that energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes dealing with new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills along with their knowledge of cleaning applications, along with owners' strong desire to considerably lower expense through productivity gains.

The staffs at TREK and their dealer-partners are strongly devoted to having both parts and technical support available when it is required. Their high service dedication is one of the core values in their customer service. Keeping their customers' cleaning machinery functioning and ready on a daily basis is top priority. The company's top of the line technology delivers dependable equipment that eventually lowers your cost of cleaning. The price, the service and the product all work together to make them an industry leader.
